1 Cascade St Katoomba

The Hive is a thriving and vibrant space hosting courses, short courses and activities for people above the age of 12. Based in the Blue Mountains town of Katoomba, The Hive began as a gardening group in Blackheath and grew to incorporate Furniture restoration, Art, ceramics, bushwalking, The Hangout – gaming, movies, dinner and board games and more. The Hive now hosts a wide range of activities and groups and can tailor activities for groups of two or more.

The Hive has a modern workshop, art and pottery rooms with a kiln, a pool table, gaming consoles, training kitchen, training areas, hangout and drop in spaces. The members of the Hive work towards selling their furniture and art work at local markets as a way of making money.

Some people want to learn budgeting, travel training, cooking, and shopping and to increase their independence skills. The Hive is able to work with Kirinari's Short term Accommodation and support you in learning the skills you want in a fun and relaxed way.

For more information on the courses and groups The Hive has, please

contact the Blue Mountains Customer Service Team on (02) 4782 9371
